

DATA SHEET

Trilogy Solutions Capabilities Brief

Overview of Technical Capabilities & Service Offerings

Industry-Leading Experience

Our architects have designed and deployed some of the largest, most secure and mission-critical SharePoint solutions anywhere in the world. That's not marketing spin – it's the simple truth. Our clients include:

- Microsoft
- FAA
- US Air Force
- US Army
- US Navy
- Fannie Mae
- US Treasury
- US Joint Chiefs of Staff
- State of Oregon
- Bill & Melinda Gates Foundation
- Joint Task Force CAPMED

Corporate Background

- ✓ **Service Disabled Veteran Owned Small Business (CVE Verified)**
- ✓ **Top Secret Cleared SharePoint Experts**
- ✓ **NAICS 511210, 541511, 541512, 541519, 611420**

Our core competency is SharePoint-based collaboration and enterprise content management systems. Our company was founded by SharePoint experts in 2004, and it remains our primary focus.

Run by former Microsoft employees and members of the defense & intelligence communities, Trilogy Solutions is a trusted Microsoft partner with recognized expertise in Information Worker and Security solutions - exactly the skill set necessary to deliver state-of-the-art SharePoint systems. Our close ties to Microsoft keep us at the forefront of the technology, ensuring that the solutions we design for our clients today will be supportable and scalable for years to come.

Whether you're looking to deploy SharePoint, upgrade/migrate an existing system or move to a cloud platform, our Microsoft-certified SharePoint architects and developers have the product and industry experience to deliver success - on time, on budget and beyond expectations.
